MANUFACTURER OF SPECIALTY WOOD CASES AND PLAQUES

Our client specializes in a niche area of manufacturing cases and specialty products for discerning customers that require their valuable products to be stored or displayed in very high quality wooden craftsmanship. They also manufacturer high end plaques that are used by their clients to reward customers for performance achievement and recognition.

The company has been in business for over 30 years and has built a name synonymous with quality and service. Their products are manufactured completely in house utilizing, conventional, CNC woodworking equipment, and laser engraving. Their products are also completely hand finished and lacquered as required in house. Besides cases and plaques, the company has produced a variety of other products including toys, models, prototypes, figurines, clocks, urns, and some proprietary products that are made for stock.

The owner is past retirement and wishes to retire. He is willing to stay for a period of time until the new owner is properly trained. The property is owned and leased back and may also be available for purchase. The business once grossed almost \$2M in sales and needs someone energetic to create a website, catalog, and marketing plan.

As part of the acquisition, the prospective buyer will acquire the following: (a) equipment with an estimated value of \$100k (2) Inventory of approx. \$58k.

Interested parties should visit our website and download the 'confidentiality and financial forms' located on the left and fax to 949 861-9219.
